6. To read the best arguments on this, check out *Four Views on The Historical Adam*, edited by Matthew Barrett and Ardel B. Caneday and published in 2013 by Zondervan. I found myself especially resonating with the arguments by John Collins. I also highly recommend the final chapter by Phil Ryken on how a literal Adam is essential to understanding the entire gospel narrative in Scripture. You might also check out Collins's work, *Did Adam and Eve Really Exist?* (Crossway, 2011).
