Coming Alive Ministries was officially founded in May of 2012 as a 501(c)3 with a dream and a calling to provide an invitation to Come Alive in Christ. Jenn Hand, Executive Director and founder of Coming Alive Ministries, returned home after living overseas for two years as a missionary in a country where people worshiped idols and statues all around her.

As Jenn returned home, she found herself traveling and speaking to churches about her experiences serving overseas. She began to notice church pews packed with people who said they knew the living God, but were living dead inside.

In addition to conferences, retreats and written resources, Coming Alive Ministries provides missionary care and counseling and trauma debriefing around the world after natural disasters.
