## LITERATURE ELEMENTS

Literature can be better understood by knowing the five story elements that every story contains.

**Setting:** *The time and location in which the story takes place.*

**Characters:** *Who is in the story. The characters can be people, animals, or anything that has a personality.*

**Plot:** *The main events of a story including the main problem or conflict.*

**Climax:** *Often referred to as the high point of the story. The climax of a story is the moment the reader knows who wins the conflict/problem.*

**Resolution:** *Now that the reader knows the climactic outcome of the conflict, the resolution tells us what happens to the characters after the problem has been solved.*

14. Consider the first ten chapters of *Little Pilgrim's Progress* and describe the setting of the story.

---

---

15. Christian often refers to a "Book" in the story. What does the Book represent?

---

---

16. A *metaphor* is a literary tool in which a term or phrase is applied to something it is not but that it represents.

Read Psalm 119:105: "*Your word is a lamp to my feet and a light for my path.*"

- a. How is this verse a metaphor?

---

---

b. What does this verse mean to you?

---

---

## BIBLE APPLICATION

17. Christian is carrying a burden that makes his journey difficult. He describes his burden to Christiana, telling her it is the reason he must leave because only the King can remove it. Keep these two Bible readings in mind as you answer the questions.

**Read Ezekiel 33:10b:** *“Our offenses and sins weigh us down, and we are wasting away because of them. How then can we live?”*

**Read Psalm 38:4, 17–18:** *“My guilt has overwhelmed me like a burden too heavy to bear . . . For I am about to fall, and my pain is ever with me. I confess my iniquity; I am troubled by my sin.”*

a. What does Christian's burden represent?

---

---

b. Where and by whom is Christian going to be freed of his burden?
